SOCIAL EVENTS

Mrs. Henry C. Prewitt entertained a number of her friends at her beautiful country home Friday with a spend-day.

Miss Fannie Maybeth Pinney entertained delightfully at her home on Holt avenue Saturday afternoon with a Luncheon-Five Hundred. There were seven tables and the affair was a beautiful and enjoyable one.

Misses Graer and Edizabeth Lockridge were hostesses at their suburban home Friday afternoon to the Young Women's Missionary Society of the Presbyterian church. The meeting was largely attended, being one of the most enthusiastic of the year. An interesting program in keeping with the Easter-tide was given. After the business meeting, refreshments of ices and cakes were served. Mrs. L. G. Cannon, of Georgetown, a former member of the Society, was present and was given a hearty welcome in her old home.

Next Tuesday evening at the Christian church Mr. Wallace Tuttle will give a song recital, commencing at eight o'clock. Mr. Tuttle is under a contract to sing with the Redpath Chautauqua for 1916. He has a rich baritone voice, is a most versatile singer and his recital will doubtless be one of the musical events of the season. Mr. Tuttle sings not only the classical selections most acceptably, but has also a number of favorite songs which he sings to the delight of the average music lover; so that in his program there will be something to suit the taste of every hearer. This concert will be free to the public, no admission fee being charged and no collection will be taken.

On the afternoon of April 14th, "Maple Ridge," the country home of Mr. and Mrs. John W. Lockridge, on the Levee pike, near Mt. Sterling, was the scene of a delightful gathering of Chautauquans. Miss Edizabeth, the youngest daughter of the home and the president of the Circle, planned an open session, in compliment to her sister, Mrs. L. G. Cannon, of Georgetown. A very interesting and instructive program was rendered by the capable members of this organization. Mrs. Cannon added pleasure to the occasion with one of her readings. The color scheme of yellow and white was carried out in the refreshment favors, and the Easter decorations.

In every home let flowers abound, In every church in which the chimes sound. Send some to father, sister, brother, To friend, relative, sweetheart and mother.

Talk is cheap except over the telephone. You will confer a favor on us by calling at our Greenhouse and seeing for yourselves whether or not we deserve your patronage. Hoping to be favored by your early order we remain.

WOODFORD STOCK FARM
Season 1916

STERLING CHIEF 2079

In order to co-operate with those who own good mares but do not like to go beyond fifteen dollars for a season, I have decided to reduce the fee of my horse to that amount, hoping that you will not let that reasonable fee keep you from believing that he is the equal of any horse standing on Kentucky soil, first as to ancestry, second as to the horse himself and third as to the kind of stuff he is producing.

ANCESTRY

Sterling Chief 2079 is by Bourbon Chief 976, whose standing and achievements in the saddle horse world are so well known that it is not necessary to dwell upon it here. First dam is by Forrest Denmark 153, who sired fifty-two colts that sold for an average of \$850 each. Probably no horse in saddle horse history has turned out more high-class horses. Second dam was by Blue Jeans 3. This second dam was a full sister to Roscoe who sired, during three years in this county, 8 colts that sold for an average of \$1250. He, himself, sold for \$1800.

WHAT HE IS

Color a rich dark chestnut, two white feet and star, 15.3% hands high, weight 1150 pounds. A horse of size and substance. Has best of bone and foot. Motion is absolutely true and straight and I have never had him in company with horse or mare that could throw dust in his face. Action is perfectly balanced in slow gait, walk, trot, rack and canter. Disposition could not be better. A perfect natural tailed horse, this feature of importance to breeders, has never been worked upon in any way, and he imparts it along with his other good traits to his offspring. He has the finish, type and conformation that a stock horse should have.

HIS PRODUCE

He is the sire of Thornton Chief that sold under the hammer recently for \$1500, he being the sire of the famous mare Eloise Thornton, winner of first premium in \$6000 Pacific Coast Gaited Saddle Horse Futurity at Panama Pacific Exposition. This same mare won first premium in weanling form in Missouri Saddle Horse Futurity, Missouri State Fair. Thornton Chief won first premium in champion saddle class at Springfield. Sterling Chief is the sire of Pierpont, winner of first premium which was \$1000 in the most important class at the First International Live Stock Exposition, held at Havana, Cuba. Pierpont sold for \$1000 thus paying for himself at one show. Sterling Chief is the sire of Sterling Duke, the gelding that sold for \$2500; winner of first premium at Springfield, O., Horse Show, also first at Rochester Industrial Exposition. Sterling Chief is the sire of Angelus Butterfly (Bob Lloyd mare) winner of first premium State Fair Stakes at California State Fair. Sterling Chief is the sire of Greenbriar Lady, winner of Sweepstake Gaited Class also Fine Harness Class at Fairfield, Iowa, recently. He is the sire of Royal Chief Denmark, that sold for \$1000; of W. C. P. that sold for \$1000; Sterling Bourbon the gelding that sold for \$1300; the Turley gelding that sold for \$1200; the mare, Iola, that sold for \$800; Tobacco that sold for \$500 as a weanling, etc. His colts make excellent business horses, having intelligence, being easily trained and taking to the gait readily.
